## I. LEGAL INFORMATION

The information in this guide was derived from each supplier's product list and is based on the requirement that all Boston's recipes and assembly procedures are followed to the exact specifications.

### **Disclaimer:**

The nutritional information seen here was prepared by MenuTrinfo®, LLC and is based on standard serving sizes and product formulations prepared with approved ingredients. The nutritional data presented are based on representative values from the USDA Nutrient Database for Standard Reference and information from product manufacturers. Variation may occur due to the handcrafted nature of our menu items or due to seasonal influences and/or sources of supply of our ingredients. Additionally, formulations may change on occasion, or the substitution of ingredients or suppliers may be necessary which will alter the nutritional values.

2,000 calories a day is used for general nutrition advice, but calorie needs vary.

Please note that slight variations may occur and Boston Pizza Restaurants, LP does not assume responsibility for this information and cannot guarantee that the data is completely accurate as it relates to the prepared menu items in every Boston's Restaurant & Sports Bar location.

Information regarding allergens is provided by the ingredient manufacturer. Boston Pizza Restaurants, LP does not assume responsibility for this information or a particular sensitivity or allergy to any food item provided in the restaurant. Please be advised that cross contamination may occur, and a menu item may not be completely free of any allergen.
