RESTAURANT & SPORTS BAR

# **Allergy & Nutrition Guide**

June 2019

## I. LEGAL INFORMATION

The information in this guide was derived from each supplier's product list, and is based on the requirement that all Boston's recipes and assembly procedures are followed to the exact specifications.

### **Disclaimer:**

The nutritional information seen here was prepared by MenuTrinfo®, LLC and is based on standard serving sizes and product formulations prepared with approved ingredients. The nutritional data presented are based on representative values from the USDA Nutrient Database for Standard Reference and information from product manufacturers. Variation may occur due to the handcrafted nature of our menu items or due to seasonal influences and/or sources of supply of our ingredients. Additionally, formulations may change on occasion or the substitution of ingredients or suppliers may be necessary which will alter the nutritional values.

2,000 calories a day is used for general nutrition advice, but calorie needs vary.

Please note that slight variations may occur and Boston Pizza Restaurants, LP does not assume responsibility for this information and cannot guarantee that the data is completely accurate as it relates to the prepared menu items in every Boston's Restaurant & Sports Bar location.

Information regarding allergens is provided by the ingredient manufacturer. Boston Pizza Restaurants, LP does not assume responsibility for this information or a particular sensitivity or allergy to any food item provided in the restaurant. Please be advised that cross contamination may occur, and a menu item may not be completely free of any allergen.

## II. NUTRITIONAL INFORMATION

The serving size listed is the approximate size of menu item served to the Guest (unless otherwise noted). **Substitutions of ingredients may alter nutritional values.** Although this data is based on standard portion product guidelines, variations can be expected due to minor differences in product assembly per restaurant and other factors.

Except for limited time offerings or test market items, menu products as of this printing are included on the menu. Product data is based on current formulations as of the date of this printing.

Boston Pizza International Inc. publishes updated versions of the "Nutrition Analysis" guide periodically. This guide reflects the ingredient and nutritional information for the products presented on the date as listed in the bottom right hand corner of the first page of this document.

### **Disclaimer:**

This nutritional information is based on standard ingredients and the accuracy of the data is dependent upon the restaurant operator's compliance with proper preparation and portion requirements.

Slight variations may occur and Boston Pizza Restaurants, LP does not assume responsibility for this information and can not guarantee that the data is completely accurate as it relates to the prepared menu items in every restaurant. Substitutions of ingredients may alter nutritional values.
